### Our Experts

#### Ranjana Kaul

is a partner with Dua Associates, a leading law firm in New Delhi, India, with specialisation in the UN space treaties regime.

Dr Kaul has established a space sector advisory on space security, military, civil and commercial use of

outer space and on implementation of the treaties through national policy and statute; the national approach on 'space' matters at the UN; and on UN Space Agenda 2030 for SDG. She is a Director of IISL.

#### Nayoung Youn

is a Senior Researcher at the Korea Aerospace Research Institute (KARI), specialising in international space legal and political issues including space resource activities, earth observation, Space Traffic Management (STM), diversity in

space sector. She is supporting space policy strategies of the Ministry of Science and ICT and attends international, multilateral, and bilateral conferences.
